Specification Clause

The QuARTz by ACO shower channel and grate system shall be stainless steel grade 304 manufactured by ACO Polymer Products, Inc. USA. The surface finish shall be Electropolished. Grate shall be Flag*/Mix*/Pixel*/Quadrato*/Wave*/Tile*/Linear*/Solid*.

Shower channels shall be 3.31" (84mm) wide, with length as specified on Architects plans / Architects specification. Outlet spigot (O.D.) diameter shall be 50mm (2.0").

The PVC or cast iron membrane coupling [to provide connection to S/S spigot of shower channel and plumbing pipe system] shall be supplied by ACO Polymer Products Inc. This PVC or cast iron drain body will provide clamping ability for waterproof membrane. (supplied by others)

ACO recommends checking local plumbing codes prior to installation.

The system shall be installed in accordance with the manufacturer's instructions and recommendations.

*Delete as necessary
