

The Xenia series is a one of a kind shower design that fits any space. It is perfectly functional and stylish for a small bathroom yet is refined enough for a big one. The clean, elegant and structured lines allow you to incorporate it to any style of bathroom decor. The Xenia door will amaze you with its capacity to offer an innovative space saving design, which provides a great opening without sacrificing the sophisticated allure. The infold door system slides half way inside the shower, giving you a large opening without needing much room outside.
